

# COME RESCUE ME

*Timo Jaakkimainen*

**D**                      **Dsus**      **D**                      **Dsus**  
Without your love I can't go on. I am weak, but you are strong

**C G**                      **D Dsus D Dsus**  
Oh Lord, come rescue me

**D**                      **Dsus D**                      **Dsus**  
When I stumble and I fall, I need you through it all

**C G**                      **D Dsus D Dsus**  
Oh Lord, come rescue me

**C G**                      **D**  
Oh Lord, come rescue me

**C G**                      **D**  
Oh Lord, come rescue me

**D**                      **Dsus**      **D**                      **Dsus**  
When I follow my own way, from your path I do stray

**C G**                      **D Dsus D Dsus**  
Oh Lord, come rescue me

**D**                      **Dsus D**                      **Dsus**  
I am helpless on my own, feeling lost and so alone

**C G**                      **D Dsus D Dsus**  
Oh Lord, come rescue me

**G**                      **C**                      **D**  
You are the light in my day

**G**                      **C**                      **D**  
You come to show me the way

**G**                      **C**                      **D**  
And even in my darkest hour

**G**                      **C**                      **D**  
You come with mercy and with power

**G C D**  
You rescue me

**G C D**  
You rescue me
