

HE IS RISEN

Timo Jaakkimainen

D **A**
The stone is rolled away, the tomb is open wide

D **A**
As we look, we see there's no one inside

D **A**
Where is Jesus now? Where does his body lay?

D **A**
Then an angel appears, this is what he says

G D A
He is risen, the Lord reigns

G D A
He is risen, death is conquered

G D A
He is risen, the Lord reigns

G D A
He is risen, Jesus lives

D **A**
Wounds upon his hands, and upon his feet

D **A**
Piercing in his side of the man we meet

D **A**
As we travel down the long Emmaus road

D **A**
Our eyes are opened wide, it's Jesus, this we know
