

# YOU ARE THERE

(Psalm 139:7-12)

Timo Jaakkimainen

**G**            **D** **Em**            **C**  
Where can I go from Your Spirit?  
**G**            **D**   **Bm7**            **C**  
Where can I flee from Your Presence?  
**G**            **D**            **Bm7**            **C**  
Where is a place where I can run from You?  
**G**            **D**            **C**  
Even to the ends of earth You are there

**G**    **D**            **C**            **G**  
If I go up to the highest mountain    (*you are there*)  
**G** **D**            **C**            **D**  
If I make my bed in the depths    (*you are there*)  
**G**    **D**            **C**            **G**  
Every hill and every valley  
**G**    **D**            **Bm7**    **C**  
Will proclaim Your love for me

**G**    **D**            **C**            **G**  
If I rise up on the wings of eagles    (*you are there*)  
**G** **D**            **C**            **D**  
If I sail beyond the farthest sea    (*you are there*)  
**G**            **D**            **C**            **G**  
From Eastern sun to Western shadow  
**G**            **D**            **Bm7**    **C**  
Your hand is with me wherever I go

**F**            **C**            **G**  
If I say, "the darkness will hide me  
          **F**            **C**            **G**  
And the light become as night"  
          **F**            **C**            **G**  
Even there, your eyes, they see me  
          **Bm7**    **C**            **G**  
For to You night is as day
